## **National Geospatial-Intelligence Agency Notice of Intent to Award**

The statutory authority for soliciting completion for this requirement in accordance with Federal Acquisition Regulation (FAR) 13.106-1 (b) (1) (i) "Soliciting from a single source". The applicable NAICS Code is 712110 and the size standard is \$27.5 of dollars. Interested persons may identify their interest and capability to respond to the requirement or submit quotes. This notice of intent is not a request for competitive quotes. A determination by the Government not to compete this requirement upon receipt of response to this notice is solely within the discretion of the Government. There will be no solicitation available.

This posting constitutes the National Geospatial-Intelligence (NGA) notice of an intent to award, on a sole source basis, a contract to Skyline Metro DC, 44225 Mercure Circle, Suite 110, Dulles, VA 20166, for Skyline WindScape Inflatable Graphic Display Towers to be installed by user for use of the display property at public venues, the set up process for property must require no specialized labor or equipment such as riggers, carpenters, lifts or hoists. The time to setup the property must be no more than 10 minutes by one person.

NGA is soliciting for the purchase two Skyline (2) WindScape Inflatable Graphic Display Towers, 46" W x 46" D x 184" H with a zippered door to permit access to the interior for storage. Each unit must include all the equipment to perform setup and weigh less than 40 pounds shipping weight for the entire package.

The client will supply art files, properly sized and formatted, that will be provided to the vendor up to 3 hours per unit of artwork preparation time to insure that government produced graphics print correctly on the final fabric graphic medium. The graphics must be printed single sided fabric graphics and be back by a liner to prevent light pass through.

Art files properly sized and formatted will be provided to the vendor, but up to 3 hours per unit of artwork preparation time will be required to insure that government produced graphics print correctly on the final fabric graphic medium. NGA will receive electronic proofs of all files for review and approval prior to actual production.

All items must be delivered by 10 February 2016 to:
